Manufacturer Warranty: 5 Year

Description

Looking for a professional-grade cooktop that's space-saving and efficient? Eurotech's 30cm Domino Induction Cooktop is perfect for you! It features two induction cooking zones in different sizes. With induction technology, heat is generated directly into your cookware, allowing for rapid, efficient, and safe heating. Plus, the elegant touch control gives you access to nine heating levels. You can also rely on the residual heat indicators to know if the cooktop is still hot. The black glass construction looks ultra-stylish and is easy to clean with just a quick wipe.
