

Description

The Eurotech Microwave Combination Oven combines the reliability of traditional oven convection cooking and the convenience of the microwave. Drastically reducing cooking times without sacrificing quality cooking results.

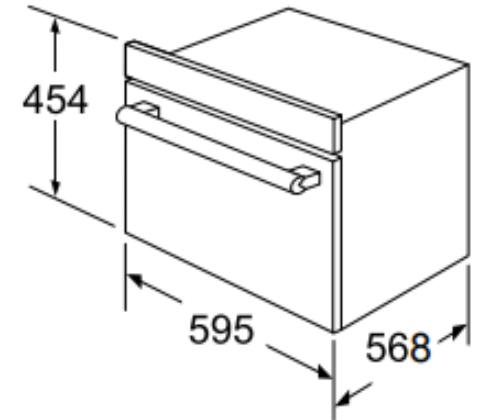

If you're short on kitchen space you can pair it with the Eurotech 60cm Single Dishwasher Drawer to be stacked* giving you more cabinetry space.

Features

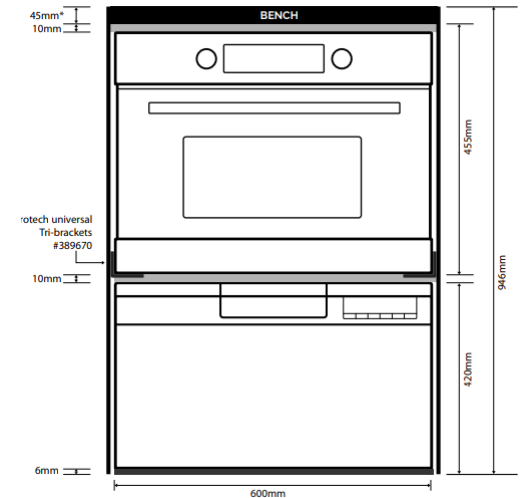

- 44 litre cooking capacity
- 3 auto cook menus
- Digital touch control
- LED display
- Child safety lock
- *Eurotech Tri-bracket required for stacking
