

# Eurotech 90cm Induction Cooktop

## Description

Introducing the Eurotech 90cm 5 Zone Induction Cooktop - a stylish addition to your kitchen with its sleek black Schott Ceramic Glass finish. The touch control panel makes it easy to operate and gives you complete control over your cooking experience. With 9 adjustable heat levels, you can set the temperature to suit your culinary needs. Each zone has an individual timer with a maximum setting of 99 minutes for precise cooking times. The pan sensor automatically adjusts the heat according to the presence of cookware. Safety features include an automatic safety cut-off, residual heat indicators, and a child lock function.
