

Eurotech 60cm Built-In Pyrolytic Oven
ED-BIO11FTBK.2

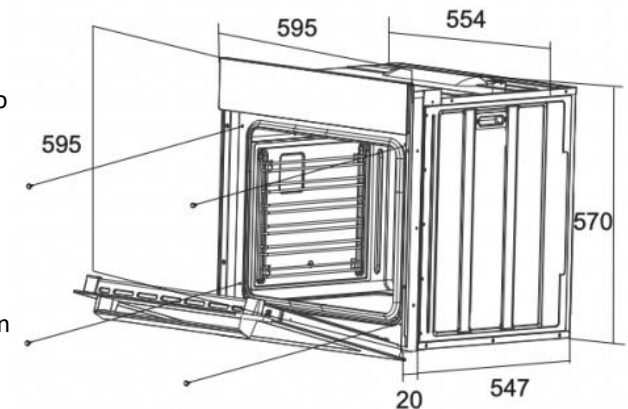

Manufacturer Warranty: 5 Year

Description

With a large capacity, modern glass design and outstanding features, this built-in oven will be perfect to add to your dream kitchen.

Features

- The 76-litre capacity allows you to cook a feast for even the largest family.
- With 11 cooking functions to suit your style, you'll be sure to have your next meal worthy of five stars.
- An oven that does the heavy lifting of cleaning itself. Its pyrolytic function increasing the temperature of the oven cavity to approximately 500°C, incinerating the grease and cooking residue left behind by cooking and turning it into ash.
- A quad-glazed door that remains cool and safe to touch even with the oven in use.
- The intuitive touch control panel allows for a seamless option selection.
- Included;
- 2x full telescopic runner
